**KOLPING LENTEN PROJECT**

This year the Executive Board of the catholic Kolping Society of America has chosen as our 2013 National Lenten Project to raise funds for the Catholic Bishop’s Relief Fund to aid the people in the New York/New Jersey area suffering from devastation caused by Hurricane Sandy last October, to assist those families who have lost their homes. Our goal for our Nat’l Lenten Proj. this year is to raise \$15,000.00 from all the Kolping Families in the United States.

A Kolping member challenged us several years ago for each Kolping member to try and contribute \$1 a day for the 40 days of lent. Some may not be able to afford that. Some can afford more. We ask you to respond generously according to your means.

Contributions for Cincinnati Kolping should be made payable to: **Catholic Kolping Society of America** & mark them **Lenten Project. Send to:**

**Kolping Project, Attn: Marilee Uhlhorn, Nat’l Rep.  
10235 Mill Rd. Cincinnati, Ohio 45231**

Or if you prefer, donations may be sent directly to the National Office, **c/o Pat Farkas, 1223 VanHouten Ave., Clifton, New Jersey 07013.**

**Don't Quit**

When things go wrong as they sometimes will,  
When the road you're trudging seem all up hill,  
When the funds are low and the debts are high And  
you want to smile but you have to sigh, When care  
is pressing you down a bit, Rest, if you must, but  
don't you quit.

Llife is queer with its twists and turns, as everyone  
of us sometimes learns. And many a failure turns  
about when he might have won had he stuck it out:  
Don't give up though the pace seems slow.....  
You might succeed with another blow, success is  
failure turned inside out..... The silver tint of

the clouds of doubt, and you never can tell how  
close you are, it may be near when it seems so far;  
So stick to the fight when you're hardest  
hit..... It's when things seem worst that you  
must not quit.

# Kolping Brewing Klub

A new club has formed at Kolping Society called the Kolping Brewing Klub. Its purpose is to provide an opportunity to brew beer.

Brewing Klub was established by Kolping members, but is open to any person interested in learning more about brewing different types of beer. If you have never brewed before or would like to learn more, come check us out. Our brewing equipment is designed to create all-grain beers. Currently, we have brewed three styles of beers: an IPA, Kölsch, and Sweet Stout.

Meetings take place the second Wednesday of the month, at Kolping Center to evaluate various beer recipes and determine next beer type, schedule brewing, discuss equipment improvements, and club needs. Sampling our latest beer is a requirement. Picture of the equipment and meeting times are posted on FaceBook. Our regularly scheduled brewing is the fourth Sunday of the month at Kolping.

In time, the club will hold lectures on the art and techniques of brewing, sponsor beer tastings, and attend local German events to share our love of beer.

If you would like to get on our email mailing list or would like more information please email us at [brewingklub@kolpingcincinnati.com](mailto:brewingklub@kolpingcincinnati.com).

A great thanks goes out to Aaron Callahan and the Callahan team, your new President and officers. I'm confident they will do an excellent job and our beer choices may be greatly enhanced.

**My only advise, Don't run out of chips and pretzels. (they can be an angry bunch when they're hungry)**

From your departing president,  
 A special thanks to my team members for picking up the slack whenever needed, to Bob Geoppinger, Mike Callahan, Paul Wienkamp, Mike Brunsmann, Paul Anhofer and Ray Cook (an excellent team, made my job easy). Thank you to Doris Wilke, making sure I get the bulletin announcements correct and in on time.
