## Kolping News

The picnic area is shaping up. Werner Wilke and Bert Whalen removed eight stumps from the area. It looks much better and some serious trip hazards have been removed. A big thank you to Werner and Bert for a job well done. A number of weddings take place in the northern half of the picnic area throughout the year and its appearance is very important.

New grass is finally growing in the festival area. With Gary Gerdes' coaxing and watering it will be ready by Schuetzenfest – in time for the big event. We spread approximately 65 tons of B19 gravel in the area where the storage containers will be placed. Guenther Stark had a great idea by spacing the two containers apart as far as possible to utilize the space we prepared for them to the maximum. By doing this we gained a storage area for the implements and tractor between the containers. A corrugated roof will cover this area when complete.

The carpenters, Ferdi Kappen, Manfred Ellers and anyone else they could recruit, have finished the installation of new paneling in the foyer and hallway. The painters Gus

Schreoder and Heinz Kalkhoff, are finishing the paint and staining. The area looks new and fresh. Thank you very much for a well done job.

Bill Adelman cut the overflow parking area across the street from us for the second time this spring. We wish the grass would grow that well in some of the areas that we are spending money on our side to make it grow. Thanks Bill. Hermann Moeller, Henry Althoff and Rudy Pohlabein began repairing the storm damage on the North corner of the shelter house and South-West corner of the restroom building. There still is a considerable amount of firewood available. Bring your chainsaw and truck and go to it. We are not going to cut it for you. Cleanup after yourself when you are finished.

Jim Schnieder and Norb Shomacher had a State forestry expert look at our woods and to give us some ideas on what kind of trees we need to plant in the picnic area to replace those that were removed. She will get back to us later with a written report, however, she had a suggestion which can be implemented

immediately and that is to cut down all the honey suckle that is growing under the trees. It looks like we need to organize honeysuckle parties which will make good service hours for high school students and a fantastic opportunity for those who want to save the trees of the world. Let us begin on a small scale by whacking the honeysuckle out of our forest. Thanks Jim and Norb for arranging her visit.

We ask that you not drop off anything at Kolping that you have no longer use for and think that Kolping can use it before you contact Werner Wilke or Norb Shomacher. We are tired of having to clean up after you - most of the stuff that is dropped off winds up in the dumpster because we cannot use it. Lack of adequate storage is another issue. The Tuesday workers put a lot of effort into keeping the place clean and neat. We are counting on everyone to help with this.

# SOCCER CLUB

The Seth Stevens Tournament was very successful, we had two hundred and thirty eight teams participating this year. Down a few teams from last year. Teams gave us toys and gift cards for Children's Hospital. We will be delivering them on June 3<sup>rd</sup>. We have held tryouts over the last two weeks. The number of kids that

came out for tryouts looked good, we will know more about how many teams we will have over the next month. We are working on getting workers for Schützenfest.

**YESTERDAY'S DOOR**

Time has closed yesterday's door

But today is still in God's hand.

If we live in the past, we deny the "now"

And the trials we'll not withstand.

It's said of time, that it heals all wounds.

God's infinite justice shall reign

The answer to all that's unfair in life is:

God's love will always remain

So, live in the "now" with the future in mind

The past is forgiven and gone; if we place our souls in God's protective care

We can meet our life head on.

## WEDDING ANNIVERSARY MASS

**SUNDAY, JUNE 21, 2015**

Congratulations to all Kolping couples celebrating a significant wedding anniversary this year. That would be a celebration of 10, 20, 25, 30, 40, 50, 55, 60, 65 or 70 years of marriage anytime in 2015.

Your Kolping family would like to help make this year special by celebrating your wedding anniversary at the Communion Sunday Mass on June 21st at 11 a.m. at the Kolping Center. A buffet brunch will follow. Please call Dianne Schwietering if you are celebrating so we can include you in the plans for this special day.

In addition to celebrating wedding anniversaries on this day, we also will be honoring and celebrating all the Kolping fathers. There is no need to pay ahead of time; a cashier will be taking money as you enter the buffet line. But I do need to know how many in your family will be attending. Please call for reservations.

# Kolping History – June 2015

Progress is being made on the Kolping history book, and we are now at 605 pages and close to 183,000 words. The goal is to have the book finished by September 1<sup>st</sup>, which means the books should be delivered by the middle of November – just in time for Christmas! Thanks to the members who have been helping us with the last of the photo identifications and to the other members who have provided information about their sub-groups. We will continue to be asking questions of many of you as we come into the home stretch of writing the book.

Now the time has arrived for us to determine the price per copy of the book. In order to do that, we must find out approximately how many books can be sold with the initial printing – the higher the number of copies

sold, the lower the price per copy. So at this point in time, we are asking all of you to please let us know how many copies you and your family members plan on purchasing.

The book will be 8 ½" x 11", hard-bound, approximately 750 pages long, with around 1300 photos and documents included throughout. There are chapters on Schützenfest Kings and Queens, Father Adolph Kolping, Kolping awards, each one of the sub-groups, personal Kolping memories, the founders of the Society, the presidents, the Praesides, the 90th Anniversary Celebration, 2014-2015 activities, as well as the general chronological history of the Society and other topics. The price per copy will range from \$36.00 (for 400 copies) to \$64.00 (for only 100 copies), depending

on the number of copies printed. This price includes all of the printing and copyright costs, as well as sales tax, which Kolping will be paying on its sales tax return. By the way, we are already close to 150 books being pre-ordered as of June 11th.

The pre-order form is below. You can fill out this form and send to us at the address below, or let us know by E-mail or phone. **Remember, this is only a pre-order – there is no obligation at this time, but we need this information in order to price the book. The actual book order forms will go out in the mail to each of you personally around the middle of July.** The deadline for the actual payment for the book will be around August 20th.
