**4 – H**

It's been a long time since there has been news about 4-H. We had such a great group of children and parents participating in 4-H during the 70's, 80's and early 90's. Talking to some of these people we thought it would be a good idea to have a 4-H reunion at the Kolping on a Sunday in June. Parents and Children receiving this notice I need your help to get all the addresses of all who participated in 4-H during this time. When I get all the addresses, an invitation will be sent to everyone.

If anyone is interested in helping with this project please let me know.

Send your address for your children and any other children to:

**VIP Visit to the German Heritage Museum**

On Monday, April 11th at 3 pm we expect the German Consul General, Herbert Quelle from Chicago at the German Heritage Museum. He is giving a talk on "The Influence of the German Harmonica in America". Mr. Quelle has researched extensively the German roots of the pocket-size harmonica of European immigrants since the 19th century. Although being probably the most popular American instrument for about a century, the general public in the United States knows relatively little about the history of the harmonica or mouth organ.

The museum is located in Monfort Heights in the West Fork Park. The address is: 4764 West Fork Rd., Cincinnati, Ohio 45247. Telephone number is: 513-598-5732. For information call Manfred Schnetzer, 513-923-3743 or Email: [moschnetzer@fuse.net](mailto:moschnetzer@fuse.net)

**A child's words are far greater than our own.**

Every day someone does lose,  
 It's not a game of pick and choose.  
 Days go by so fast,  
 And all your worries come from the past.  
 Let those worries go,  
 Let your new shine glow.  
 Act like you're the only one,  
 Even though there are really a ton.'  
 Open up a new gate,  
 Don't swallow your own fate.  
 Yes, you have pride,  
 Don't get knocked over by that big tide.  
 God's putting you through a test,  
 Now it's time to show him you're best.  
 Be Glad you're here,  
 Don't cry a single tear.  
 Remember you are strong,  
 And it's okay to do wrong.  
 Be who you are,  
 You're a shining star!

## What is going on at Kolping?

I thank Mike Pelzel for his report in previous months Bulletins while I was on my winter vacation. Mike is a heck of a writer which makes me think of retiring so I can concentrate on developing my grass cutting skills needed for the next 50 years. The Tuesday workers presented me with a T-shirt and plaque certifying that I have cut grass for the past 50 years at Kolping. I have enjoyed it and am still enjoying it as long as my body can take the bouncing. Thanks guys. The Fish Fry season is behind us and this has brought "K" a bonus. Werner Wilke and Dick Ellensohn have over the years looked after the deep fryers in the kitchen to be sure they operated correctly and changed the oil in them when needed. Theo Leuker apprenticed this year with Werner Wilke on how to filter the oil, change the filters and how to maintain the filter pump besides cleaning the units. Theo is a welcome new face in this capacity because not to many folks volunteer for this greasy job. Thanks Theo for your willingness to pick a new skill besides keeping the patches of lawn behind the building looking good. We are in need of some folks who love to apply their landscaping skills and an interest in fixing up and keeping the flower beds around the building looking nice. The Bed on the North end of the build really looks rough right now. We could use a small, operational rotor tiller that would make the cleaning job much easier. Manicured flower bed and shrubs give our facility character and appeal. Michael Beiter joined the Tuesday crew on his Easter break to clean grills and the shop vac besides cutting grass. Boy, we could use a dozen young men to do the chores that need to be looked after. Thanks Michael for donating a day of your school vacation.

Grass cutting season has opened and we could use some folks to operate the riding mowers.

## St. Joseph Day

We thank the people responsible for resurrecting the St. Joseph Day celebration. St. Joseph being the patron saint of our organization deserves a special recognition by us each year.

Beth & Pete Hoffman along with Ami & Paul Ahrnsen (there maybe others involved) resurrected the St. Joseph Day celebration for which we are very grateful. A statue of St. Joseph was donated to "K" by MM Wagner (Mary Margaret Jamison). She and Tim Jamison maintained St. George Church on Calhoun Str. and MM Wagner rescued this statue and she and Tim Jamison decided to donate it to Kolping. It is a beautiful piece of art. Tim made a carrier for the statue and Paul Ahrnsen and Pete Hoffman carried the statue from the hall to the Grotto and back into the hall where Deacon John Corsen blessed it. All this took place on March 23, prior to the children's Easter egg hunt. A great big thank you to MM Wagner and Tim Jamison. (To bad we can't publish a picture of the statue.) Beside the beautiful Grotto we now have a room size statue of St. Joseph.

## Available to us

Recently I have been asked whether we have wall space for a mural that was painted by a "K" member of the granite statue that is and has been standing on the square between the International "K" office and the church of the Minorites in Cologne, Germany. The mural was painted from a postcard however it was enlarged by the artist so it is 63 ½" w X 104" l. It is bigger than life and that raises the question "Where can it be displayed"? Please pass any ideas on to Tom Musbach, Chairman of the House & Grounds Committee. Ted Tegenkamp
