“K” Happenings

This month we had the privilege of welcoming Bob Goeppinger and Mike Callahan to the Tuesday Workers. Both recently retired and decided to spend Tuesdays with the crew. Also Andrew Hessler completed his junior year at NKU and he decided to give us a hand on Tuesdays. Michael Beiter is looking forward to joining us in the weeks to come while on summer break. Hopefully some additional helpers will join us during the summer month. Andrew Hessler went to Detroit Catholic Kolping Society with me to pick up a big painting (64”X 104”). Presently it is sitting in the utility/shooting room along with a stained glass window of the International “K” symbol and a smaller painting depicting the Society as it is envisioned in the Mission Statement (B.L.Brink painted this in 1942) and a Kolping branding iron made by one of the Detroit members. They used this to identify their picnic tables. We are still trying to find out who Mr. Brink was but I believe he was a member of the New York “K” Family. I am basing my opinion on something that I saw hanging on the library wall of the Catholic Central Union of America in St. Louis. Retreat promotional posters of the size of the picture Andrew & I brought back from Detroit were displayed. The director told me that these had been painted by a New York member. Some day we’ll find out who B.L.Brink was who signed the picture in 1942 that is now in the Clubhouse.

The new trees that were planted in the fall of 2014 between Dudley field and the festival grounds are looking wonderful and healthy. Last year a couple of them didn’t look like they were going to make it. Günther Stark looked after them and all is good. Thanks Soccer Club for providing the trees. Günther Stark brought a large toolbox (commonly called gang box) out and he and Andrew Hessler painted it to rejuvenate it. The intent is to store all of the water hoses in it.

In recent weeks Manfred Ellers, Tim Jamison, and Mike Hasenfratz (maybe others helped since this required reading instructions) assembled a pergola. It came in three large boxes containing the many pieces required for assembly. It was setup in the shelter house and it is a very attractive addition to

the place. The final location for the pergola will be in the wood behind the shelter house.

Concrete work is being done behind the hall. These are repairs that have been needed for several years. John Tensings crew was hired to take care of this. Beth Hoffman planted flowers in the large flower pots and they look beautiful. Nice job and wonderful addition to the entrance.

Vandalism: The top of the fountain was knocked off and was destroyed by vandals. A lot of gravel was dumped into the fountain also. Our security system recorded this act of vandalism and this information was turned over to the Springfield Township Police Dept. Let’s hope that they can identify these jackasses.

Yesterday's Door

Time has closed yesterday's door
 But today is still in God's hand
 If we live in the past, we deny the "now"
 And the trials we'll not withstand.
 It's said of time, that it heals all wounds.
 God's infinite justice shall reign.
 The answer to all that's unfair in life is:
 God's love will always remain.
 So, live in the "now" with the future in
 mind;
 The past is forgiven and gone;
 If we place our souls in God's protective
 care, we can meet our life head-on.
