Volume V, Number 11

Note from the Editor

Happy Thanksgiving!

In spite of the pandemic, we still have much to be thankful for. This would be a good time to contemplate all of our blessings and to think of others who are less fortunate – to share the talents that the Lord has given us.

Please note our new event, the Jolly Holiday Shopping Event, taking place on November 21 (details on p. 10).

A Note From Fr. Dan, Our Praeses

Please remember to pray for the Kolping members who have departed from this life. Details of our communal memorial are in this issue of the Bulletin (p. 6). This year we must respect the COVID regulations for the state of Ohio, so we will not celebrate a Mass. Instead of Mass, we will use the whole Kolping Banquet Hall to maintain proper social distance. Each family will be assigned to one table. We will light candles, read scripture and pray for our deceased. Afterwards, Sunday Brunch will be served.

Please bring face masks for all who will attend from each family. Be safe and help protect all your brothers and sisters at this Kolping function. Face masks are required for the sake of the common good, except while we are actually eating/drinking. This is the only way we can do things according to the COVID-19 regulations. Please join all who can attend in praying for our deceased Kolping members.

Fr. Dan Kroger, OFM

Sports Club News

Fall season 2020 is coming to a close shortly. We all were happy to get out there and be able to play. We did our best to keep up with and follow all the COVID guidelines. All in all, it was a great season for everyone. Due to the prolonged inactivity, there were some injuries and some COVID scares. Tryouts will be the first week of November. Go to Kolpingsc.com for more information.

We were unable to host any tournaments this year, but we will look for new and safe ways to host for 2021. We are always looking for local companies to be club and tourney sponsors.

Schützen Club News Turkey Shoot This Month

November is our Turkey Shoot event. Winner of each line will receive a Kroger gift card.

Shooting night is November 20th; team signup and the COVID sheet will be at the front door. Please try to come around 6 pm to help set up the room and stay after to help put everything back. Shooting will start at 7 pm.

Last month there was a small group of teams that stayed to help put all the chairs and tables back in the shooting room. I want to thank those members. Next month we need to have more teams to help; if we don't have teams to volunteer, I will assign teams to help at the end of the night. The more help we have, the faster we all can leave.

September scores were: High Practice, John Weissmann (67); High Individual, Kenny Kemper (68); and High Team, Team Lawson (66.2). Congratulations to them all.

All monthly high scores will be one month behind; this will allow us to figure in any makeups for teams only.

Teams that signed up to help are: Team DeFranco, Bar; Team Boehm, Targets; Team Brunsman, Food; Team Callahan, Tickets and Team Wienkamp will do the turkey shoot.

Respectfully,

Steve Lawson, Schützen Club President

Our Friday Night Gemütlichkeit Grill-Outs were a success! For those who attended, we thank you for the support and positive feedback. We personally enjoyed the fun and fellowship each week. For those who volunteered to work on a Friday, either by tending bar or selling our delicious food or split-the-pot tickets, your help is much appreciated.

Special thanks to our President Ted Hoerstmann and his wife Ann. The grill-outs would not have happened without their support and hard work.

Fr. David Hiller Fund Scholarships

Once again, the Father David Hiller Fund will offer two (2) \$3,000 grants for children of active Kolping parents who will be attending Catholic high schools in the Tri-State area. At least one parent must be a member for at least three years. Grants are available for children who will be freshmen at a Catholic high school in the school year 2021-2022. These grants will be renewable for each successive school year, provided certain conditions are met.

In 2021, the grants will be awarded to the two freshman students. Current grant recipients are also required to reapply in order to receive their renewable grants. Applications and program description will be available in the Hiller Fund mail slot in the Kolping Board room after November 1, 2020. Applications should be sent directly to the Cincinnati Scholarship Foundation, 324 E. 4th St., Cincinnati, Ohio 45202, who will determine the awardees. The applications are not provided to the members of the FDHF Committee. Deadline is February 28, 2021. A complete description of the program is available on the Kolping website:

www.Kolpingcincinnati.com

Additional questions should be sent to Paul Ahrnsen, phone: 513-542-8554, email: pahrnsen@fuse.net.

Missing Tool

The support of the Tuesday Workers is essential to the success of our Society. They volunteer their time and talents (and sometimes, tools) to keep our facilities in shape. To that end, one of our workers has reported that his hammer drill, which he was using at Kolping, is missing. If anyone knows the whereabouts of this expensive tool, please call Tom Musbach at 513-793-1148.

Deadline for articles to be submitted for the December *Bulletin* is Wednesday, November 25 at 5:00 P.M.
Please submit articles to Nancy Pelzel at:

Kolping Genealogy

We will meet virtually on **Sunday, November 15 at 2:00 pm** for an hour. The first part of the meeting will focus on Maps and using Google Earth in your genealogical research. The rest of the time is spent one-on-one working with each other on capturing our information and expanding our skill sets.

A subtopic on November 15 will be “Finding your Heimat” using this technology. You have to learn the location of your “home village” in order to facilitate most German research. We will compare [Google Earth](#) to [Google Maps](#) (using the two villages of my Weber family as an example) and learn to search “Germany” using both apps to find your ancestors’ homes. Armed with the address and village, you can “pin” these locations in *Earth* and share with others. *Maps* gives us distances to trek, bike, or drive. Both Google Maps and Google Earth are free.

So login with your own laptop and stand-by to review digital maps and research on Germany’s geography. This is a great opportunity for brother/sister members of Kolping to share their research; fellow Tuesday Workers to share their immigration stories, marksmen and brewers to locate those places where they or their ancestors learned their trades.

Basic Geography will cover the present-day German States and look back into historical regions and administrative divisions. We will look at a few of many online gazetteers and some of the best online historical maps. Maps are fun to view and give us a perspective most useful in our research. Our forefathers would be amazed to see “Street View” of the old homestead. Visit from your home with a cold drink and favorite chair.

Memorial Service and Goettafest November 1, 2020 11:00 A.M.

Our Memorial Service and Goetta Breakfast will take place on November 1 at 11:00 am to honor the members we have lost in the last year. If you are unable to join us in person, please say a prayer for all those no longer with us.

One of our traditions for this event is to support a local charity with donations collected at the Memorial Service.

This year the board has chosen to join the Knights of Columbus in raising funds to support Elizabeth New Life Center. This organization will be opening a clinic on Hamilton Avenue this month. When it opens, it hopes to have an ultrasound machine on site so that ladies seeking an abortion can see for themselves the little life in their womb. Sadly, last year in the Kolping zip code, there were 163 abortions performed.

These machines are costly, but the Knights of Columbus are committed to this cause and have raised half of the money needed. The amount that is collected on November 1st will be matched by Kolping. If you are unable to attend the Candle Memorial Service and support this important cause in person, please consider supporting this organization.

Thank you to Walt Amrein for making us aware of this important work. What a great way to honor the memory of our members by supporting God’s gift of life!

Kolping Golf League

The twenty-seventh season of the Kolping Golf League is now history. The Golf League was one of the few Kolping activities that were not canceled in 2020 because of the pandemic. After a three-week delay in starting play, we managed to get in twenty-one official rounds.

At the end of play, the champion for the 2020 season was Rich Balzer, one of our newest Kolping members. Rich also has the distinction of being the oldest champ at age 84. We players in our fifties, sixties and seventies can look upon this geezer champion as a reason to continue playing golf. Congratulations to Rich for setting a good example and for being a good golfer. By the way, all of those in the league 80 and older are affectionately referred to as GEEZERS. Often, they play better than most of us “youngsters”.

This season also marked the 90th birthday of Carl Nissen, one of the founders of the league in 1994. On a sad note, another of the founders of the league, Ben Albers, passed away two weeks ago.

Biographies of Candidates Running for the Kolping Board

Roger Adams

U.S. Marine Veteran
Accountant with Fidelity Investments for 23 years.
Three Adult Children
Kolping Member since 1995.
Spouse Barbara Moeller Adams

I have previously served on the Building and Grounds Committee and have served as President of Schützen Club. I have always volunteered but chose to be involved on the Finance and Faith Formation teams at my Parish while my children were growing up. Now that my youngest is away at college, I want to switch back to serving the Kolping Society.

Matt Brunsman

Matt has been a member of Kolping for eight years. He is a member of the Schützen Club, and has volunteered at Schützenfest, Stube Nacht and Harvest Fest.

Walt Dewar III

Walt Dewar III is a kind, compassionate man who gives all he can to his hometown of Cincinnati, Ohio. Whether it's been holding many positions at his church of St. James Episcopal Church, spending many Friday nights with the Reading Athletic Association in the city he currently resides, a past board member of SAY Soccer or with the Kolping Society and President of the Kolping Sports Club. He has been married to his wife, Karen, for 28 years and they have 3 beautiful daughters and 2 granddaughters. Walt does not know a stranger and can't go somewhere without running into someone he has worked with or coached. He would be a great fit to help the Kolping Society carry out Fr. Kolping's mission.

I am Walt Dewar and I approve this message!

Andrew Hessler

Hello, my name is Andrew Hessler, and I have been a Kolping member since 2013. I have basically grown up at Kolping, from representing Kolping and the Kolping Soccer Club on the field, to helping my Opa at Tuesday Workers during the summer, to more recently being a national representative at the 2016 and 2018 National Conventions in New York and Philadelphia, respectfully. I was also blessed to have the opportunity to be a national representative for Kolping USA in 2018 in Lima, Peru, for the International Kolping Convention. I am asking for your vote today, as I have had the great opportunity to interact with people from around the globe who share in Father Kolping's mission, and talk to the individuals our work on the Kolping Lenten Project is directly benefiting. I believe that there is so much more good that we as a Kolping Family will be able to accomplish in the next 96 years of the Cincinnati Kolping Society.

Janet Talkers Kuhl

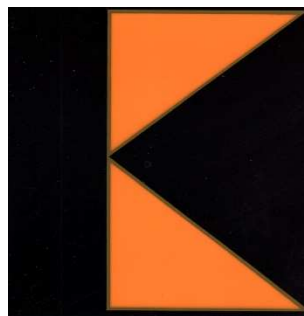

Because of the COVID-19, I was not able to receive my 60-year award in April. I became a member from when I was married to Herman Talkers who died in 1987. I remarried in 1991 to his first cousin Heinz Kuhl who died in 2019. I am one of ten children and three of my sisters married men from Germany (Hubert Kramer and Helmut Leder).

Over the years I have been on committees dating back to the old Kolping on Winton Road. I was a board member for the Ladies Auxiliary and hosted Communion Sunday downtown. For many years I was chairman of the Fish Pond at Schützenfest and have always helped out in the kitchen, especially when it came to serving at various events. I cannot recount the number of years I have worked in the kitchen for Schützenfest. I currently help Doris Wilke twice a month for the Tuesday Workers. I received the Kolping National Distinguished Service Award at the 2006 National Convention in Detroit and in 2004 I received a Service Recognition Award from Kolping Cincinnati. I am very proud of them.

Christine Petersman

The Kolping organization and its members have come to mean a lot to me. Several years ago I moved into my new home and was blessed with Otger Kappen as a neighbor! Otger introduced me to several people and encouraged me to come to Kolping so that I could see why it meant so much to him. After coming to a few events, I felt like I wanted to belong to this community too. As I have volunteered for several events, I have grown to appreciate all that Kolping stands for. Several of my neighbors have now become members and work alongside me.

For the past 30 years I have worked in accounting for Dennis R. Link & Co., Inc. Another commitment special to me is martial arts. I have been personally developing my craft, as well as teaching and mentoring in the martial arts field for over 25 years. This has been very rewarding. I am a graduate of Northern Kentucky University, locally attended Oak Hills High School and have a grounded commitment to the community. If honored to be on the board, it will enable me to give back. I look forward to being a part of things here at Kolping. This is truly a great organization.
