## Message from Fr. Dan, Our Praeses

Congratulations to all the volunteers and members who contributed to a very enjoyable and successful Schützenfest. It took cooperation, sacrifice and hard work from volunteers, members, sponsors and donors. Without them our annual fundraiser would not have taken place. So, let's shout a great big "Yeah Kolping!" And "Thanks be to God!" for the lovely weather.

July 17 is our Wedding Anniversary celebration. Let's honor all of those marking major anniversaries of their years of marriage. Our patron, Father Kolping, ministered to couples and their families who reached 25, 40, 50 and even more years.

I remember a couple in the Philippines who were celebrating their 25<sup>th</sup> wedding anniversary at Mass. They wanted to publicly renew their wedding vows at Mass. So, after the homily I called the couple to renew their vows facing the congregation, as they had planned. When I asked José if he would still take Maria as his bride, there was a long pause and silence in the church.

When Maria nudged her husband he said, "If I had known all the troubles we would have to live through, I am not sure whether I would make that vow again." Then, smiling and hugging his bride, he said: "But of course I do." Relieved, the whole church applauded. There was something very humbling about their heartfelt renewal of vows. José and Maria had tears of joy in their eyes.

I hope and pray that all our Kolping couples will renew their wedding vows every year. Marriage is such a sacred sign of Christ's love for his church.

## Letter from the President

Dear Kolping Family,

What an exciting time we had at our 2022 Schützenfest! The weather was perfect! We broke all of our previous financial records this year, even with the challenges that we faced with off-site parking and the date change from July to June.

Thank you to all of our volunteers who pitched in for set-up, during the fest, and teardown. What an amazing team we have! Please plan to attend the Workers' Appreciation Party on Sunday, July 10<sup>th</sup>.

Congratulations to our 2022-2023 Schützen King and Queen, King Mark and Queen Julie Faust, members since 2018. We look forward to getting to know them better and celebrating with them over the next year.

It's time to shift our focus to the Kolping Society National Convention, which we will (Finally!!) be hosting in September. Nancy Pelzel and her team are working hard to make our out-of-town Kolping families as welcome as possible, but don't forget that this is a great opportunity for all of us in Cincinnati to meet other Kolping members from all over the country. Everyone is welcome to participate in the weekend's activities.

Have a safe and happy 4<sup>th</sup> of July!

Treu Kolping!  
Anna Stukenborg

## Kolping Genealogy

What ship? From what port did my ancestor depart? To what port did my ancestor arrive? How long was the voyage? Who accompanied my ancestor? These are some questions we hope to answer on July 17 when we cover *Passenger Lists and Immigration*.

We will look at major European departure ports. Southern and western Germans tended to emigrate through the ports of Bremen or Le Havre. Northern and eastern Germans tended to leave through Hamburg.

- Hamburg became the most important emigration port in Germany by 1900. Between 1830 and 1914, more than four million people left Europe via Hamburg. By 1914, more than one million Eastern European Jews had immigrated to the United States through the port of Hamburg.
- More than 4 million Germans arrived in the United States between 1850 and 1897 through the ports of Baltimore, Boston, New Orleans, New York and Philadelphia. The major ports of entry were New York, Baltimore, Boston, Philadelphia, and New Orleans.

Records of these ports and other minor ports are available too. We can locate much information on our ancestors once we research these records. German immigration records may include: first name(s), last name, birth year, year of arrival, occupation, country of origin, city or town of last residence, port of arrival, destination, travel compartment, port of departure, date of arrival, ship's name.

But we will have a particular focus on the German Emigration Center at Bremerhaven.

## Kolping Soccer Club News

### Kolping 2004 Girls Celebrate Their Seniors

The Kolping Girls 2004 soccer team celebrated their seniors following their final home game on Wednesday, May 18<sup>th</sup>. The team has done exceptionally well this year, led by these three strong seniors. Their 2004 teammates are going to miss these fantastic young women and look forward to watching them succeed in their future endeavors.

**Daysia Thompson:** Daysia is a 4-year member of Kolping, and is graduating from Winton Woods High School. Her favorite Kolping memory is competing against the Kolping 05 team and winning. Daysia is heading to Georgetown College in Kentucky to play soccer and study athletic training.

**Leigha Timberlake:** Leigha has been with Kolping for 6 years, and her favorite memory was this May when,

after double overtime play and two rounds of penalty kicks, she put in the last kick to seal a huge win! She didn't even realize it was the winning goal until she turned to see her teammates celebrating and running towards her! Leigha is graduating from Ursuline Academy, and continuing her academics at the University of Cincinnati to study civil engineering.

**Savannah Foust:** Savannah has been with Kolping for 8 years! Her favorite Kolping memory was a weekend at the Cedar Point tournament, playing near the park, and winning the whole thing! Savannah is graduating from Fairfield High School and heading to Northern Kentucky University in the fall to major in elementary education.

## A Massive *Schützenfest* Thank You!!!

Dear Kolping Members –

I am so happy to report that we experienced a record *Schützenfest* weekend, which is an incredible accomplishment, particularly given our date change to Father's Day Weekend. I am also very happy that we were able to set this record in light of the enormous new record we established last year. It was wonderful to experience such amazing weather all weekend long and I am delighted that we were blessed with the opportunity to do our best and to show a growing crowd what Kolping and *Schützenfest* are all about. I look forward to enjoying the traditionally less humid weather the 3<sup>rd</sup> weekend in June.

The ability to showcase how awesome *Schützenfest* and Kolping are is so rewarding. We have a special fest we can be proud of that I feel is going to continue to grow, as the word continues to get out to more and more people. Based on the many reports both at the fest and on social media, people had a great time. It is also clear we had many 1<sup>st</sup> time festivalgoers. Speaking of social media, I want to thank Andrew Hessler for all of his perseverance with Facebook and the creating of a brand new *Schützenfest* Page ([@schutzenfestcincy](#)). His original one was unfortunately hacked earlier this year.

We cannot thank our wonderful volunteers enough for all of their fantastic efforts, especially for their help on Sunday! There are so, so many people to thank and I unfortunately cannot list them all. We could not have this special event without the incredible dedication and work ethic of our volunteers. *Schützenfest* is a growing event with a bright future. I am excited to hear the many stories about more and more people wanting to join Kolping and to also volunteer at *Schützenfest*. We definitely welcome their help.

I want to highlight a personal observation that I felt the fest grounds looked beautiful and we really took things to the next level. I am sure we will do some minor tweaking in years to come but the core ingredients are in place. I particularly loved looking at the beautiful 4-peak Food Tent and 2-peak König Ludwig Biergarten Tent, the awesome looking and inviting Raffle Baskets in the middle, the beautifully illuminated tree behind the package beer station, and our overall footprint. The Bubenplatz looked funky, fun, and cool as always. I also loved our new 2<sup>nd</sup> Entrance at the Soccer Complex. This really helped get people into the festival quicker and easier. The indoor Wein & Bier Stube looked amazing once again. What a showcase piece for Kolping.

Though we did not need our new off-site parking this year, given the fantastic weather, I am very excited to have this invaluable new resource available for future years. There was enormous effort put into seamlessly incorporating off-site parking.

We need to thank all of our food service teams! They did an absolutely fantastic job delivering wonderful homemade food and treats. This was an extra challenging year given the record crowds. Kolping should be very proud of the quality of our offerings and service.

Our Basket Raffle, Games, and Merchandise areas did extremely well and had record results. There is so much work that goes into these areas and it is so nice to see the volunteers' outstanding efforts rewarded. We want to thank all Kolping members who donated generously to the Basket Raffle.

The Bubenplatz, Schnaps Cart, History & Heritage area, Shooting Events, Bier Dash, and all of our beer, wine, and refreshment stations add an extra level of fun and polish to Schützenfest. Our volunteers' special efforts in these areas continue to fundamentally help transform Schützenfest from a festival to an event. An event is what creates memories people want to enjoy year after year, and these areas create something special to help Schützenfest shine!

We want to also make a major shout out to our Setup and Teardown teams! Anna is so grateful for everyone's leadership and for so many people taking the initiative to show up each night.

I want to send a special thank you to our electricians and everyone associated with the setup of electric at Schützenfest. The work they do and their commitment is amazing, especially in light of the changes we have made over the years. I hope our more stable layout will make their lives less stressful.

I want to thank all of our festival sponsors, who are comprised primarily of Kolping members. I know the Sponsor Team was very proud of our record results.

I would be remiss in not thanking our Volunteer Coordinators. What they accomplish is truly amazing, as it takes over 1,000 volunteers to make Schützenfest happen.

Finally, it is critical to highlight the efforts of our Logistics and Ordering Team, as well as our Money Room Team. They were presented with many challenges before the fest this year. Moreover, given the record crowds, the Ordering Team had to work and scramble very hard to have product ready for Sunday. Their leadership, hard work, and long hours were amazing and invaluable!

It gives me great pride to know we put on an event that makes our legacy members proud. Receiving their compliments means everything, as we do not want to ever forget our history, legacy, and tradition!

The future of Kolping and Schützenfest is bright. Let's make Schützenfest on Father's Day Weekend the new family tradition of Cincinnati!

It is going to be a great year with the new court of König Mark & Königin Julie Faust and Jr. König Jonathan Gerbus & Jr. Königin Kierstin Scholz! It will be fun and exciting to see the familiar and new faces come out and celebrate Kolping style.

We have a great team and I look forward to working with all of you again in 2023 for an even greater year. I thank everyone again for everything!

Treu Kolping,

- Jim Stukenborg
